

Village of Elmwood 2030 Comprehensive Plan

Table of Contents

Introduction

Location.....	1
History.....	1
Development of the Comprehensive Plan.....	1
Plan Purpose.....	2
Vision Statement.....	3
SWOT Analysis.....	4

Issues and Opportunities

Introduction.....	5
Population Forecasts.....	5
Household Forecasts.....	7
Employment Forecasts.....	8
Demographic Trends.....	9
Age Distribution.....	9
Education.....	10
Income Levels.....	11
Employment Characteristics.....	12
Community Survey.....	13
SWOT Analysis.....	14
Goals, Objectives, and Implementation.....	15

Housing

Introduction.....	16
Age Characteristics.....	16
Structural Characteristics.....	18
Value Characteristics.....	19
Occupancy Characteristics.....	20
Future Housing Needs.....	21
Housing Assistance Programs and Agencies.....	22
SWOT Analysis.....	24
Goals, Objectives, and Implementation.....	24

Transportation

Introduction.....	25
Commute Patterns.....	26
Functional Classification.....	27
Traffic Counts.....	28
Transit.....	29
Transportation Facilities for the Disabled.....	29
Bicycles and Pedestrians.....	29
Railroads.....	30
Air Transportation.....	31
State and Regional Transportation Plans.....	32
SWOT Analysis.....	33
Goals, Objectives, and Implementation.....	33

Utilities and Community Facilities

Introduction.....	34
Sanitary Sewer.....	34
Stormwater Management.....	35
Water Supply.....	36
Solid Waste Disposal and Recycling Facilities	37
On-Site Wastewater Treatment.....	37
Parks.....	37
Telecommunication Facilities.....	40
Power Plants/Transmission Lines.....	40
Churches.....	40
Health Care Facilities.....	40
Child Care Facilities.....	40
Police, Fire and Rescue.....	41
Library.....	41
Schools.....	41
Other Government Facilities.....	41
Community Survey.....	41
SWOT Analysis.....	43
Goals, Objectives, and Implementation.....	43

Agricultural, Natural and Cultural Resources

Introduction.....	45
Ecological Landscape.....	45
Groundwater.....	46
Forests.....	47
Soils.....	47
Agriculture.....	48
Environmentally Sensitive Areas.....	49

Threatened and Endangered Species.....	49
Exotic and Invasive Species.....	50
Stream Corridors and Watersheds.....	51
Floodplains.....	52
Wetlands.....	53
Wildlife Habitat.....	54
Parks and Open Space.....	54
Metallic/Non-metallic Mineral Resources.....	54
Historical and Cultural Resources.....	55
Recreational Resources.....	57
SWOT Analysis.....	58
Goals, Objectives, and Implementation.....	58

Economic Development

Introduction.....	59
Economic Development Components.....	59
Labor Force and Economic Base.....	61
Tax Incremental Districts.....	65
Future Development.....	65
County, Regional, and State Economic Development Programs.....	67
SWOT Analysis.....	73
Goals, Objectives, and Implementation.....	73

Intergovernmental Cooperation

Introduction.....	75
Existing and Potential Agreements.....	76
School Districts.....	77
Libraries.....	77
Road Maintenance.....	77
Solid Waste Disposal and Recycling Facilities.....	77
Police, Fire and Rescue Services.....	78
Private Utilities.....	78
Adjacent Local Governments.....	78
Pierce County.....	79
Regional.....	79
State.....	79
Other Governmental Units.....	81
Ideas for how to combine and cooperate with services.....	81
Existing and Potential Conflicts.....	81
Conflict Resolution.....	82
SWOT Analysis.....	83
Goals, Objectives, and Implementation.....	83
